

APPENDIX 'B'

Approved Front Yard Plant List

The following APPENDIX 'B' Approved Front Yard Plant List is the original plant list from Continental Homes.

Do to the fact that we live in a desert climate and based on the review of the original approved plant list. It is the position of this Homeowners Association Board that the front yard landscaping should be maintained using desert low water use / drought resistant type plants. Any homeowner may replace or add to their front yard landscaping with plants from this list with out getting prior approval from the HOA's Architectural Committee.

Any homeowner wanting to replace or add additional plants to their front yards that are not listed on the APPENDIX 'B' Approved Front Yard Plant List must first give prior architectural approval form the HOA's Architectural Committee prior to planting any nor approved plants.
